

Penny Road Elementary PTA

2018-2019

PTA Membership

One of the easiest ways for you to help our school is to become a member of the PTA. When you join our school's PTA, you automatically become a member of the North Carolina PTA. At the county and state level, PTA leaders work tirelessly to advocate for public education. By joining the Penny Road PTA, you are increasing the advocacy efforts of these leaders.

Other great reasons to join the PTA:

- **Be in the Know:** PTA membership helps you keep up with what is happening at school.
- **Build relationships:** The PTA connects you to teachers, administrators and other families through meetings, events and communication helping to build a strong sense of community for our students and their families.
- **Access great resources:** Our PTA meetings will provide some great information for parents to help your child make the most of their school year.
